President's Message

Dan Lee

Hello ... If you weren't at the Holiday rally in Sarasota the first of this month, you missed a good one. We had a great group of first timers who by the end of the first day blended right in with the old timers. To our pleasure four Alumni, the Youngblood's and Soto's, joined us Saturday night. Awesome food mixed with good weather and the greatest bunch of RVers made for an unforgettable weekend.

At the National ACA Tucson Rally last month I was nominated to run for National ACA President. I am asking you for your support. I believe all of you know by the work that I have done for the Southeast Chapter that I will work hard at fulfilling all the tasks demanded by the national president's office. With the entire Southeast Chapter's vote I have a very good chance of winning. Please vote for me when the ballots arrive by mail in March.

We will be honored by a special guest at our upcoming Lazydays rally. Charlie Adcock, our national ACA President, and his wife Gloria will be joining us as honorary members of the Southeast Chapter.

Have a Wonderful Christmas and a Great New Year

Treasurer's Report

Pat Leszewski

As another year winds down, I want to take this opportunity of saying thank you for allowing me to serve as your Rally Coordinator, Treasurer and Vice President over the years. Due to being very active at our home base, Florida Grande Motor Coach Resort, I have decided to not take on a position this year.

Here is hoping that everyone has a safe, healthy and happy holiday season.

A full Treasurer's report will be available at the Lazydays Rally. For those who will not be present and want this report, contact Pat Leszewski and she will send you one via snail mail or email.
